4 Easy Steps to the Family Fun Challenge

Step One: Choose a bowl: A top hat, a fishbowl, a bowl you painted together (anything eye-catching and fun!)

Step Two: Cut along the perforated lines into 25 separate tasks.

Step Three: Toss it all up! Then select a member of your family to randomly choose a square.

Step Four: Now perform whatever is on the square. (Don't forget to put the square back. You might enjoy it so much you'll want to do it again!)
